- (b) Under this section, information is material to patentability when it is not cumulative to information already of record or being made of record in the application, and

- (ii) Asserting an argument of patentability.
- A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

(1) Each inventor named in the application;

- (1) Each inventor named in the application;
- (2) Each attorney or agent who prepares or prosecutes the application; and

(3) Every other person who is substantively involved in the preparation or prosecution of the

- (d) Individuals other than the attorney, agent or inventor may comply with this section by providing information to the attorney, agent, or inventor.
